RMM Solutions Adds EMC to Solutions Portfolio to Meet Growing Customer Demands

Wausau, WI – 12/30/2011 – RMM Solutions, a leader in technology solutions, announced today that it has added EMC to its solutions portfolio. The addition of EMC addresses the growing needs of customers seeking flexible and scalable solutions for data management, recovery, deduplication and storage solutions.

"Becoming an EMC Partner demonstrates RMM's commitment to offer a broad range of leading technology solutions to solve business challenges," said Rimon Moses, CEO, RMM Solutions. "RMM Solutions has been providing technology-driven solutions to businesses in Wisconsin for more than 16 years, and we are pleased to add EMC to our portfolio."

"RMM Solutions has deep market knowledge and expertise, in addition to its proven commitment and reputation in the Wisconsin region," said EMC's Gregg Ambulos, Vice President, Americas Channel Sales. "We look forward to working with RMM Solutions and helping deliver cost-efficient and reliable networked storage, backup and recovery solutions to solve the pressing IT issues of their customers."

About RMM

RMM Solutions has partnered with hundreds of organizations to deliver business-building technology solutions that work. Utilizing our unique consultative approach, we seek to fully understand the complex needs and initiatives of our clients before recommending a solution. We go to great lengths to ensure that our solutions will perfectly match and even surpass their needs. We then provide dependable and intelligent support to ensure that our clients' technology continues to serve its intended purpose for a long time, quietly yet powerfully.
